Graphic Design — Course Summary

A quick reference of what is covered and what you will learn in each session.

QUICK NAVIGATION

Session 01 — Design Foundations Seeing

Session 02 — Design Foundations Colour Type

Session 03 — Design Foundations Images Composition

Session 04 — Canva Interface

Session 05 — Canva Layers Brand

Session 06 — Canva Advanced Techniques

Session 07 — Flyers and Social

Session 08 — Print and Identity

Session 09 — Portfolios Presentation

Session 10 — Professional Workflow

Session 11 — Client Simulation

Session 12 — Final Project Capstone

SESSION 01

Design Foundations Seeing

WHAT YOU WILL LEARN

- ✓ **Define graphic design** — and explain its purpose in everyday life.
- ✓ **Identify the target audience** — of a design and explain why it matters.
- ✓ **Recognise and name** — the core design principles: hierarchy, contrast, alignment, balance and white space.
- ✓ **Analyse a real design** — using correct design vocabulary.
- ✓ **Explain why** — some designs work and others do not.
- ✓ **Apply the "less is more" principle** — to evaluate design choices.

SESSION 02

Design Foundations Colour Type

WHAT YOU WILL LEARN

- ✓ **Explain the colour wheel** — and identify primary, secondary and tertiary colours.
- ✓ **Create effective colour combinations** — using complementary, analogous and monochromatic schemes.
- ✓ **Explain colour psychology** — and how different colours create different moods.
- ✓ **Identify font categories:** — serif, sans-serif, script and display.
- ✓ **Pair fonts effectively** — using contrast and hierarchy.
- ✓ **Apply typographic hierarchy** — to create clear visual order.
- ✓ **Explain why** — most designs should use no more than 2â€“3 colours and 2 fonts.

SESSION 03

Design Foundations Images Composition

WHAT YOU WILL LEARN

- ✓ **Select appropriate images** — for different design contexts.
- ✓ **Crop and frame images** — effectively using the rule of thirds.
- ✓ **Apply the rule of thirds** — to create balanced compositions.
- ✓ **Understand visual flow** — and how readers scan designs.
- ✓ **Identify and fix** — common composition mistakes.
- ✓ **Analyse real designs** — for image quality and composition.

SESSION 04

Canva Interface

WHAT YOU WILL LEARN

- ✓ **Create a Canva account** — using their email address.
- ✓ **Navigate the Canva dashboard** — and home screen.
- ✓ **Start a design** — from a template or from custom dimensions.
- ✓ **Identify the main parts of the Canva editor:** — toolbar, panels, canvas, and top bar.
- ✓ **Add and edit text** — using the text panel.
- ✓ **Add and edit images** — using the uploads and elements panels.
- ✓ **Save and organise designs** — in the Canva dashboard.
- ✓ **Explain why** — Canva is a suitable tool for beginner designers.

SESSION 05

Canva Layers Brand

WHAT YOU WILL LEARN

- ✓ **Understand layers** — and how they work in Canva.
- ✓ **Use positioning and alignment tools** — to arrange elements precisely.
- ✓ **Group and ungroup elements** — for easier editing.
- ✓ **Apply transparency and effects** — to elements.
- ✓ **Crop and mask images** — using frames.
- ✓ **Set up a Canva brand kit** — with custom colours and fonts.
- ✓ **Apply brand colours and fonts** — consistently across designs.
- ✓ **Explain why** — brand consistency matters in professional design.

SESSION 06

Canva Advanced Techniques

WHAT YOU WILL LEARN

- ✓ **Apply effects** — such as shadows, outlines and curves to text and elements.
- ✓ **Create simple shapes and logos** — using Canva's shape tools.
- ✓ **Use grids and guides** — for precise layout.
- ✓ **Resize designs** — for different formats using Canva's resize feature.
- ✓ **Export designs** — in the correct format for print and digital.
- ✓ **Explain the difference** — between print (CMYK, 300 DPI) and digital (RGB, 72 DPI) specifications.
- ✓ **Choose the right export format** — for different use cases.

SESSION 07

Flyers and Social

WHAT YOU WILL LEARN

- ✓ **Identify the key elements** — of a business flyer: headline, subheadline, body, call to action, contact information.
- ✓ **Apply design principles** — to create a professional flyer.
- ✓ **Identify the key elements** — of a social media post: visual, headline, call to action.
- ✓ **Design for Instagram and Facebook** — using correct dimensions.
- ✓ **Design WhatsApp graphics** — appropriately.
- ✓ **Use Canva's flyer and social media templates** — as starting points.
- ✓ **Apply brand consistency** — across multiple design formats.

SESSION 08

Print and Identity

WHAT YOU WILL LEARN

- ✓ **Design a standard-size business card** — with essential information.
- ✓ **Design a poster** — using large-format design principles.
- ✓ **Design invitations** — for weddings, birthdays and church events.
- ✓ **Design certificates** — with proper layout and borders.
- ✓ **Create a simple logo** — using shapes, text and colour.
- ✓ **Apply print specifications** — (300 DPI, bleed, crop marks) correctly.
- ✓ **Explain the difference** — between print and digital design requirements.

SESSION 09

Portfolios Presentation

WHAT YOU WILL LEARN

- ✓ **Organise design files** — logically and professionally.
- ✓ **Select their best work** — for a portfolio.
- ✓ **Present designs to an audience** — with confidence.
- ✓ **Explain design decisions** — using correct vocabulary.
- ✓ **Receive and implement feedback** — professionally.
- ✓ **Give constructive feedback** — to peers.

SESSION 10

Professional Workflow

WHAT YOU WILL LEARN

- ✓ **Understand client requirements** — and ask the right questions.
- ✓ **Work from a design brief** — to create targeted designs.
- ✓ **Manage the revision workflow** — professionally.
- ✓ **Organise design files** — for handover.
- ✓ **Export designs** — in the correct format for the client's needs.
- ✓ **Explain pricing basics** — for design work.
- ✓ **Apply professional communication** — throughout the design process.

SESSION 11

Client Simulation

WHAT YOU WILL LEARN

- ✓ **Receive and interpret a client brief** — professionally.
- ✓ **Plan a design approach** — based on the brief.
- ✓ **Create initial concepts** — that meet the brief requirements.
- ✓ **Present work to a "client"** — (instructor) and receive feedback.
- ✓ **Handle feedback professionally** — and make revisions.
- ✓ **Deliver final files** — in the correct format.
- ✓ **Reflect on the process** — and identify lessons learned.

SESSION 12

Final Project Capstone

WHAT YOU WILL LEARN

- ✓ **Plan and organise** — a multi-part design project from a brief.
- ✓ **Design a simple logo** — using shapes, text and brand colours.
- ✓ **Design a business flyer** — with clear hierarchy and call to action.
- ✓ **Design a social media post** — for Instagram or Facebook.
- ✓ **Design a business card** — with essential information.
- ✓ **Present the brand package** — to the class with confidence.
- ✓ **Handle live critique** — professionally.
- ✓ **Reflect on their learning** — across the entire course.
