SESSION 01

What Social Media Management Is

Week 1 â€" Module 1: Strategy

WHAT YOU WILL LEARN

- ✓ **Define** — social media management in their own words and explain the five core tasks of the job â€" planning, creating, posting, engaging and reporting.
- ✓ **List** — the services a social media manager sells and match each service to a realistic naira price for a small Port Harcourt client.
- ✓ **Describe** — what a client expects from a manager â€" consistency, prompt replies, professionalism, confidentiality and honest numbers â€" and explain why each expectation exists.
- ✓ **Survey** — the five main platforms (Instagram, Facebook, TikTok, X, LinkedIn) and state, in plain language, what each is mainly used for and who uses it in Nigeria.
- ✓ **Explain** — honest earning expectations for an entry-level manager in Nigeria, including what the course does and does not promise.
- ✓ **Apply** — the course ethics rules â€" no bought followers, no fake reviews, no inflated reports, respect privacy and consent, follow platform rules â€" and explain why each rule protects the client and the manager.

SESSION 02

Audience Goals and Platform Strategy

Week 1 â€" Module 1: Strategy

WHAT YOU WILL LEARN

- ✓ **Explain** — why strategy comes before posting and what happens when a business skips it.
- ✓ **Research** — an audience using free methods (questions, observation, platform search) and write a simple audience profile that names a real obstacle â€" not "everyone."
- ✓ **Set** — two measurable goals using the SMART format and connect each goal to a specific action.
- ✓ **Choose** — one or two platforms for a client with written reasons tied to the audience and the goal.
- ✓ **Run** — a basic three-competitor scan and extract two useful lessons from it.
- ✓ **Write** — a one-sentence positioning statement that says who the client serves, what they offer and why they are different.

SESSION 03

Content Strategy and Pillars

Week 1 â€" Module 1: Strategy

WHAT YOU WILL LEARN

- ✓ **Explain** — why random posting fails and how content pillars fix it.
- ✓ **Select** — four to five content pillars for a client and explain how each one serves a goal.
- ✓ **Match** — content formats (Reel, carousel, image, story, text) to platforms and purposes.
- ✓ **Set** — a realistic posting cadence that one person can sustain.
- ✓ **Build** — a two-week content calendar with a pillar, format and caption idea for every post.

SESSION 04

Creating and Sourcing Content for Clients

Week 2 â€" Module 2: Create and Manage

WHAT YOU WILL LEARN

- ✓ **Write** — a creative brief that turns a calendar row into a clear content instruction.
- ✓ **Repurpose** — one idea into four post formats â€" a Reel, a carousel, a story and a caption set.
- ✓ **Design** — one readable, on-brand Canva post at the correct size with consistent colours, fonts and a logo.
- ✓ **Source** — photos and video honestly â€" own shots, client photos with permission, and free stock within licence.
- ✓ **Explain** — how to work with editors and photographers â€" brief, references, feedback, deadlines, payment and credit.

SESSION 05

Community Management and Engagement

Week 2 â€" Module 2: Create and Manage

WHAT YOU WILL LEARN

- ✓ **Explain** — why community management is a paid service and what happens when a business ignores its comments and DMs.
- ✓ **Define** — a brand's tone of voice and write replies that match it consistently.
- ✓ **Reply** — to comments and DMs quickly, warmly and usefully â€" using the brand's tone.
- ✓ **Apply** — a moderation rule â€" delete spam and abuse, keep legitimate criticism, block only real troublemakers.
- ✓ **Respond** — to a negative comment without arguing, insulting or deleting legitimate criticism.
- ✓ **Build** — a ten-reply bank covering common scenarios â€" questions, orders, compliments, complaints and spam.

SESSION 06

Scheduling Tools and Client Workflow

Week 2 â€" Module 2: Create and Manage

WHAT YOU WILL LEARN

- ✓ **Connect** — Instagram and Facebook in Meta Business Suite and explain why a manager uses it.
- ✓ **Schedule** — three posts in Meta Business Suite or another free tool, with the correct format, caption and time.
- ✓ **Run** — a draft â†' review â†' approve â†' schedule workflow that keeps the client involved and mistakes out.
- ✓ **Onboard** — a client professionally â€" collecting access, information and expectations safely and honestly.
- ✓ **Draft** — a one-page working agreement covering scope, deliverables, payment, revisions and account ownership.

SESSION 07

Analytics and Client Reporting

Week 3 â€" Module 3: Grow and Report

WHAT YOU WILL LEARN

- ✓ **Identify** — the key metrics â€" reach, engagement rate, saves, shares, clicks and follower growth â€" and explain what each one means.
- ✓ **Read** — basic analytics from Instagram and Facebook and pull the right numbers for a monthly report.
- ✓ **Calculate** — an engagement rate correctly (engagement Ã· reach Ã— 100).
- ✓ **Produce** — a one-page monthly report with numbers against goals, top content, what worked, what did not, and a next-month recommendation.
- ✓ **Present** — results honestly â€" explaining both good and bad months â€" and never inflate numbers.

SESSION 08

Paid Promotion Basics and Growth

Week 3 â€" Module 3: Grow and Report

WHAT YOU WILL LEARN

- ✓ **Explain** — what boosting is, how it differs from organic growth, and when it makes sense for a small business.
- ✓ **Plan** — a boost with an audience, a duration, a naira budget and a success measure â€" on paper, without spending real money.
- ✓ **Calculate** — basic results in naira â€" cost per result, return on a small budget â€" and decide whether to continue, adjust or stop.
- ✓ **Describe** — honest organic growth methods that build a real audience over time.
- ✓ **Argue** — why bought followers, likes and engagement pods are rejected â€" with clear reasoning.
- ✓ **Apply** — the rule: never spend a client's money on ads without written approval.

SESSION 09

Capstone Client Proposal and 30 Day Social Media Plan

Week 3 â€" Module 3: Grow and Report

WHAT YOU WILL LEARN

- ✓ **Assemble** — a complete client proposal â€" services, scope, exclusions, posting schedule, response times, deliverables, package price in naira, payment terms, revision policy, account ownership and confidentiality â€" that reads like a real client document.
- ✓ **Build** — a 30-day content calendar â€" one row per post with date, platform, pillar, format, caption or hook idea, and asset needed â€" that fits 30 days and one creator, and connects every post to a goal.
- ✓ **Create** — at least six written sample posts with captions, calls-to-action and hashtags, and at least four designed in Canva in one consistent brand look.
- ✓ **Prepare** — a one-page reporting template â€" metrics, targets, actuals, what worked, what did not, next-month action â€" ready to fill in after 30 days.
- ✓ **Write** — community-management guidelines â€" tone of voice, response-time target, moderation rules and an escalation step for complaints â€" and a growth and promotion note that rejects fake growth.
- ✓ **Present and defend** — the package in a short talk â€" explaining the audience, platform choices, a sample post, the reporting approach and how they would handle a bad month â€" and answer at least three questions.
